

Welcome to Art!

6th Grade Art

Instructor: Ms. Tina
E-Mail: ktejeda@moorsch.org

Artist: Leonardo da Vinci

Date: c. 1503-06

Medium: Oil

Overview

This year in your art class, you will be introduced to different artists and influential art periods that have formed and inspired the art we see around us today.

Goals

Create an understanding and appreciation for art.

Learn different art tools, styles, and techniques to create art.

Create unique, meaningful, and expressionistic artwork.

Requirements

Students are required to:

- Follow all classroom and school rules. School Discipline Plan (as listed in the Handbook) will be strictly applied.
- Treat the art room as a sanctuary and treat one another with respect.
- Complete all projects to the best of their ability
- Participate in all critiques and discussions
 - Students are reminded to treat one another with respect during critiques. The critiques are for constructive criticism on one's artwork, not to make fun of the art. Disrespect towards peers will not be tolerated.
- Complete home learning research.
 - Home learning will be assigned the week before a new Artist and project is introduced.
- Express yourself through your work!!! You are a beautiful and unique artist and creation of God!

Grading in Art

Project grades will be determined by effort and completion. All projects should be completed in 3 class periods (3 hours total.)

Critiques will be held at the end of each project. Critiques will be counted as a test grade. Participation in the critiques is 20% of the test grade. The rest of the points will be determined by the following:

- Completion of assignment
- Followed the rules for the project as listed in the project rubric.
 - Rubrics will be sent home and emailed for each project.

Midterms and Finals will mostly include the names of Artists we have learned as well as some of their famous pieces. Some questions will relate to techniques and vocabulary learned during lessons and projects.

Materials

Different materials we will be using:

- Paint (acrylic, tempera, water color)
- Paint brushes
- Pencils (6B, 4B, 2B, HB, 2H, 4H, 6H)
- Linoleum
- Printmaking ink
- Colored pencils
- Mixed media (for collages)
- Tissue paper

Milestones

Quarter 1

Students will learn about art, art history, and learn techniques to create their own work.

Quarters 2&3

Students will find their own art style through practice and exploration of art styles and materials.

Quarter 4

Student will become their very own unique artist.

Parents and Students, please sign below and return to the teacher. A copy of this syllabus will be emailed to you once I have received the signed copy. Thank you.
