

iPad Specifications

If purchased new:

- Minimum 32GB

Why? Both McCarthy and Pace will allow you to bring it to use in high school when the student gets there. Also, certain high schools require a specific sized iPad.

- No cellular service allowed it must be disabled.
- AppleCare Plus is required or some other form of insurance depending on where you purchase the iPad.
- iPad Mini's will **not** be allowed. If you have a 16GB iPad and it runs out of space, you will be responsible to either purchase a new iPad or remove apps to ensure that there is enough space to work at the school.

Strongly recommended:

- OtterBox case

Apps:

- Notability needs to be purchased by the parents
- All other apps will be provided by the school

Dates for uploading of school apps:

- All students entering 4th- 8th grade need to bring their iPads on **August 16 or August 17 from 9:00-11:00 AM** in the Compaired Center.

**Students need to have their own Apple ID and password. You can use Family Sharing to create an Apple ID for your child.

If you have any questions, you may email Mrs. Alvarez at ialvarez@moorsch.org or Ms. Nikki at ntejeda@moorsch.org regarding any iPad/technical questions.

Mother of Our Redeemer Catholic School's mission is to be a Christ-centered school

that instills excellence in learning, Christian values, and service to the community within the framework of the Gospel.
