

Dear Parents,

All our students have worked very hard this year. For summer they are assigned 2 books with book reports and a math packet. For K-8, the Religious book will be assigned by the upcoming teacher. The fiction book could be any book of their choice within their Lexile level. (Provided on the iReady report). You can search at <https://www.lexile.com> to find books at your child's level and interest. The book reports, iReady logs and math packs are due on the first day of school. You can find them on our website.

Thank you and have a wonderful summer,

MOR teachers
